Name: Carl Bernzweig

Mac or PC? A nice new iMac, after way too many years of office hand-me-down PCs

LP, CD, or IPOD? A little of each

What was your major? Did you continue in that field?
Philosophy. Good question

Career? Do tell!
Kindly ask again in '38

Favorite memory from Brandeis days?
First-ever taste of Haagen Dazs (honey vanilla, from the Store 24 in Watertown) on first date with my future wife, late night on the stone wall by the chapels, watching and listening to frogs in the pond

Favorite Brandeis professor?
Most interesting had to be Allen Grossman. But the class I most enjoyed going to was Italian, taught by this excellent prof whose name I'm sorry I've forgotten

What have you done since graduation that you are most proud of?
Uh...never sold out?

Are you single or married? Tell us about your family:
Met my wife at the Yen-King Restaurant on Moody Street. Our older son plays and teaches violin. Younger son works at a staffing firm. Both still at home. We all share interests in food and nature, so plenty of family activities – we're getting our money's worth out of these guys

What goals have you set for yourself for the next ten years?
Make a movie

What items are on your bucket list?
Movie

Please provide a joke, a current photo, and a photo from your time at Brandeis.

Customer: And this leg's a little crooked.
Tailor: Then stand like this.
Woman on Street: Oh, that poor man, all bent and twisted.
Companion: Yes, but look how nice his suit fits.
