Raised three wonderful daughters.

Are you single or married? Tell us about your family:

Adrian and I have been married 28 years (yes, to each other), and we have three daughters: Samantha (22), Beth (19), and Faye (15). Samantha is graduating from the University of Arizona with a major in Political Science and minor in English. Beth is also attending UA and has been accepted to the Eller School of Business where she is a double major in Public Policy & Management together with Health & Human Services. Faye is completing her sophomore year of high school, learning to drive and has been active in musical theatre as a hobby.

What goals have you set for yourself for the next ten years?

I wish to travel extensively with my family and friends!
(I'd also like to have time to read a book and not have a million interruptions!)

What items are on your bucket list?

Making every day an experience or memory that counts for me in some way!
